RE: Notice of Intent to Award – Sodium Hypochlorite 2019

Ms. Yost:

Notice is hereby given that staff intends to recommend award of the above project to HASA, Inc. on the basis of your bid submitted on March 14, 2019. This bid offered the best combination of qualifications and ability to meet the requirements of the project, which is in the best interests of Medford Water Commission.

The deadline for written protest of award is Wednesday, March 27, 2019 at 5:00 p.m. Local Time.

The award will be considered upon the close of the protest period, and once it has been awarded, a Notice of Award letter and contract documents will be issued.

If you have any questions or would like more information, please contact Dan Perkins at (541) 774-2742.

Sincerely,

Brad A. Taylor
