Medford Water Commission
Conservation Program
200 S. Ivy St. - Room 177
Medford, OR 97501

Email: Conserve@medfordwater.org **Call:** 541-774-2436

Program Eligibility & Instructions

- ◆ Rebate applies *only* to the installation of **WaterSense® labeled** dual flush and 1.28 (or less) gallon per flush toilets.
- ◆ Property *must* have a water account with MWC in *good standing*.
- ◆ Toilet pictures *must be received by MWC staff* before rebate is issued.
- ◆ Allow 4 to 6 weeks for the processing of the rebate check.
- ◆ Program is generally limited to 25 rebates per site (call for details).
- ◆ Rebates will be issued on a first come first served basis; program may end if funds are depleted.
- ◆ Rebates requested by non-owners require property owner's written consent with signature on provided form.

Rebate Amounts:

- ◆ \$85 (plus a recycling voucher) for replacement and recycling of a toilet flushing 2.5 gallons or more.
- ◆ \$40 (plus a recycling voucher) for replacement and recycling of a toilet flushing 1.6 to 2.5 gallons.
- ◆ \$40 for installing a qualified **WaterSense®** toilet in lieu of a 1.6 gpf model in new construction.

Instruction Checklist:

- [Select and purchase WaterSense® toilet\(s\)](#). Eligible models are identified with a WaterSense® label. Verify eligibility by reviewing the list of qualifying toilets on the EPA website: <http://www.epa.gov/watersense>. Toilet model number(s) must match the numbers on the WaterSense® list exactly. No mixing of tanks and bowls from the list is allowed, as each model has been tested in specific combinations for performance and efficiency.
- [Install WaterSense toilet\(s\)](#). Installation is the responsibility of the applicant. Keep the box the new toilet came in until after pictures are received. ***DO NOT dispose of old toilets until MWC has received and confirmed pictures are clear and acceptable.***
- [Complete the rebate application form and attach the sales receipt](#). Submit the application to MWC, either by email, mail or delivery to our office. Email: Conserve@medfordwater.org
- [Email pictures of old and new toilet to MWC and receive recycling voucher](#). Once pictures of old and new toilets are received, a recycling voucher will be issued. If you submit an application in advance, MWC will contact you to gather any additional information. Applicant's signature on this form authorizes MWC to perform an onsite inspection, if necessary.
- [Recycle old toilet\(s\) at Rogue Disposal Transfer Station](#). This is ***required*** to receive the full rebate amount. Vouchers for free recycling will be provided by MWC. If you hire a plumber, be sure to inform them of this requirement and work out any details ahead of time. Rogue Disposal will validate the voucher and direct you to the designated recycle container. Remove all metal and plastic parts from the old toilet before recycling. ***If the recycling voucher is NOT received by Rogue Disposal, the highest rebate amount you can receive is \$20 per toilet.***

Disclaimer

The Medford Water Commission may deny any application that does not comply with all of the WaterSense® Toilet Rebate Program Eligibility Instructions. MWC makes no representation or warranty regarding the toilets eligible for rebate. Any claim based upon any defect or failure of performance of a toilet purchased by the applicant should be pursued with the manufacturer or distributor. By participating in the program, the applicant waives and releases MWC from any and all claims and causes of action arising out of the purchase, installation, or use of the toilets purchased in connection with the rebate program. Verification inspections are not a certification, warranty, or other approval with respect to the applicant's compliance with applicable laws, ordinances and building codes. MWC reserves the right to alter this program at any time.
