Engineer: _____

Address: _____

In conformance with OAR-333-061-0060, I, the undersigned Professional Engineer licensed in the State of Oregon, state that, to the best of my knowledge, the above-referenced project has been constructed in accordance with the approved plans and specifications. Furthermore, where applicable, I have reviewed the inspector's as-built plans associated with the water facilities and confirm that they conform to the project requirements. Therefore, I hereby recommend formal acceptance of this project by Medford Water Commission.
