

This meeting will be held in person, but you may attend virtually; see the instructions on page 2.

AGENDA

11:15 a.m. LUNCH

11:30 a.m. STUDY SESSION – System Development Charges Primer - (Beau Belikoff Finance Manager, Shawn Koorn HDR, Inc.)

12:15 p.m. BOARD MEETING

1. Roll Call

2. Pledge of Allegiance

3. Comments from the Audience

Comments will be limited to 4 minutes per individual, group, or organization; please state your name and organization (if applicable) when prompted.

4. Consent Calendar

4.1 Approval or Correction of the Minutes of the Last Regular Meeting of February 4, 2026

4.2 Quarterly Letter to Mayor and Council

5. Items Removed from Consent Calendar

6. Resolution No. 2015, A RESOLUTION Awarding and Authorizing the General Manager to Execute an Agreement with Spectrum Business for Fiber Network Services, Not to Exceed \$213,264.00

7. Leadership Team Reports

Leadership Team staff will be present and may provide information: Engineering Manager Brian Runyen, Finance Manager Beau Belikoff, Water Operations Manager Dan Perkins, Information Technology Manager Kris Stitt, Human Resources Manager Tanya Haakinson, Water Resources & Customer Service Manager Julie Smitherman, and General Manager Brad Taylor.

8. Propositions and Remarks from the Commissioners

9. Adjourn

Memorandum

TO: Commissioners Jason Anderson, John Dailey, Bob Mylenek, Brian Sjothun, and David Wright

FROM: Brad Taylor, General Manager

DATE: Wednesday, February 18, 2026

SUBJECT: Item 4.2 – Quarterly Letter to the Mayor and City Council

OBJECTIVE: Board Approval

Issue

The letter to the Mayor and City Council for the second quarter of Fiscal Year 2025-26 along with the financials, Consumption Report, and Watershed Report.

Discussion

Medford Water is required by Section 19 of the Medford Charter to make full reports of the business transacted by it and of the condition of its funds once every three months to the City Council. If the board members agree to the contents of the letter for the second quarter of FY25-26, the Chair and General Manager will sign, and it will be forwarded to the Mayor and Council members.

Financial Impact

n/a

Requested Board Action

Approve contents of the second quarter letter to the Mayor and City Council.

February 18, 2026

Mayor Michael Zarosinski and City Council
City of Medford, Oregon
411 West 8th St.
Medford, Oregon 97501

Honorable Mayor and Council Members:

Attached are Medford Water's quarterly financial reports for the second quarter of Fiscal Year 2025–26, along with the Consumption and Watershed Reports.

Highlights from the second quarter include the following:

- Provided an update on the Risk and Resiliency Assessment and Emergency Response Plan.
- Awarded a goods and services contract to Pacific Electrical Contractors to replace aging critical electrical equipment at the Duff Water Treatment Plant.
- Completed a comprehensive rate study and adopted new water rates to be effective March 1, 2026.
- Awarded a contract with RH2 Engineering, Inc. for consulting services for design on Zone 1 Pumping and Transmission improvements to meet future growth requirements.
- Received Government Finance Officers Association (GFOA) Budget Award for Fiscal Year 2026.
- Approved the annual audit.

If the Mayor or Council members have any questions, feel free to contact our office at any time, or Garrett West, Council Liaison.

Sincerely,

Jason Anderson, Chair
Board of Medford Water Commissioners

Brad Taylor, General Manager
Medford Water

DEC 2024

Memorandum

TO: Commissioners Jason Anderson, John Dailey, Bob Mylenek, Brian Sjothun, David Wright

FROM: Kris Stitt, Information Technology Manager

DATE: Wednesday, February 18, 2026

SUBJECT: Revised: Item 6.0 - Resolution 2015, Awarding and Authorizing the General Manager to Execute an agreement with Spectrum Business for fiber network service

OBJECTIVE: Board Approval

Revision

This memorandum was originally submitted for consideration at the February 4, 2026, board meeting. The accompanying resolution did not include language specifying that the 3-year term applies to each individual connection beginning when the service becomes active; because some services may not be activated for an estimated 12 months, the resolution will remain valid for up to 5 years to allow all services to come online. The resolution has since been updated to include the corrected language. The remainder of this memorandum remains unchanged.

Issue

Medford Water has been utilizing fiber internet services provided by Spectrum Business to provide internet connectivity for our Lausmann Annex (Annex), Robert A. Duff Water Treatment Plant (Duff WTP), and Martin Control Station locations. Those connections were provided as part of a 3-year contract agreement which has recently expired. With the addition of the Medford Water Operation Center (MWOC), and the additional connectivity required for the SCADA network buildout Medford Water would like to enter into a new 3-year agreement with Spectrum Business for fiber connectivity services.

This new agreement would service the MWOC, Duff WTP, and our Capital Hill Reservoir sites. The remaining Annex and Martin Control Station sites would remain on a month-to-month agreement until they are no longer needed.

Discussion

Medford Water utilizes Fiber internet connectivity provided by both Spectrum Business and Hunter Communications to provide internet access for several locations. By utilizing two providers, Medford Water gains added resiliency and can maintain operations even if one carrier goes down.

History

About 3 years ago Medford Water began utilizing Spectrum Business to provide fiber network connectivity to the Annex and the Duff WTP. These connections provide internet connectivity as well as a Virtual Private Network (VPN) connection to handle communications between sites. The Martin Control Station connection was added as part of the early stages of our SCADA upgrade project to provide connectivity back to the treatment plant. At the time these connections fell within the General Managers spending authority. This renewal would exceed that threshold and requires board approval.

Discontinued Services

Medford Water will be able to discontinue services at the Annex location once construction of the MWOC has been completed. We will also be able to migrate the Martin Control Station connection

over to our upcoming SCADA radio network once buildout is complete. We are estimating we will need to keep these connections for up to an additional 18 months.

New Connections

As part of the SCADA upgrade project Medford Water will be utilizing the Capital Hill reservoir and Roxy Ann sites as primary sites for our radio communications network. Radios that service other sites in the distribution system will point back to these locations for their primary communications path. We plan on utilizing a Spectrum Business fiber internet connection at the Capital Hill site to backhaul network traffic back to the SCADA network and for radio frequency coordination. This connection would also be utilized in the future for services related to the reservoir upgrade project.

Medford Water will need to have fiber connectivity at the MWOC site once construction has been completed. These connections will provide internet access for the facility as well as a 10-gigabit fiber Ethernet Private Line (EPL) connection which provides a direct high-speed connection between the MWOC and Duff WTP.

Summary

The proposed 3-year agreement includes fiber internet and EPL connectivity between the MWOC and the Duff WTP as well as a fiber internet connection at the Capital Hill Reservoir. We would continue with our Annex and Martin Control station connections on a month-to-month basis for up to 18 months or until those services can be discontinued.

Future Plans / Additional Connectivity

Medford Water will likely have a similar configuration utilizing Hunter Communications for our Duff WTP and MWOC sites including a connection to Roxy Ann for the SCADA backhaul. We currently utilize services from both Spectrum Business and Hunter to provide resilient connectivity at our Annex and Duff WTP locations. Additionally, Medford Water has connections provided by Hunter Communications to the Conrad and Ross Control Stations which we anticipate will be replaced with the SCADA radio network in the future. We may need to return to the board at a future meeting to present an agreement with Hunter Communications.

Financial Impact

The total estimated costs of the 3-year agreement with Spectrum Business are estimated to be approximately \$176,400. We are also estimating that it will cost approximately \$36,864 to maintain our Annex and Martin Control Station connectivity, up to the next 18 months. The total cost is estimated to be \$213,264.

Monthly Costs included in the 3-year agreement:

Location	Service	Monthly Costs
Duff Treatment Plant	1GB Fiber Internet	\$ 900
Duff Treatment Plant	10GB Fiber EPL	\$ 1,100
Operation Center	1GB Fiber Internet	\$ 900
Operation Center	10GB Fiber EPL	\$ 1,100
Capital Hill Reservoir	1GB Fiber Internet	\$ 900
	Total:	\$ 4,900
	36-Month Total:	\$ 176,400

Monthly Costs continuing a month-to-month plan for up to the next 18 months:

Location	Service	Monthly Costs
Annex	1GB Fiber Internet	\$ 1,699
Martin Control Station	300MB Fiber Internet	\$ 349
	Total:	\$ 2,048
	18 Month Total:	\$ 36,864

Total estimated costs: \$213,264 (plus taxes/fees)

To account for taxes and fees Medford Water is requesting the authorization allow for the general manager to include up to a 25% contingency.

Although the agreement with Spectrum Business is for a 3-year term. The billing and term length does not begin until the connection has been installed and is usable. For this reason, we request that the length of time allowed by this resolution to be up to 5 years.

This agreement qualifies for an exemption from competitive solicitation per section 2.33 Section C Part 10 (Information Technology, Telecommunications, Software and Hardware Maintenance and Upgrades) of the Medford Water Contracting and Purchasing Regulations.

Requested Board Action

Staff recommends approval of Resolution 2015 to enter into a 3-year agreement with Spectrum Business for fiber network services. In the not to exceed amount of \$213,264 including authorizing the General Manager to approve up to an additional 25% contingency.

RESOLUTION NO. 2015

A RESOLUTION Awarding and Authorizing the General Manager to Execute an Agreement with Spectrum Business for Fiber Network Services, Not to Exceed \$213,264.00

WHEREAS, Medford Water has existing fiber internet connectivity provided by Spectrum Business serving the Lausmann Annex (Annex), Robert A. Duff Water Treatment Plant (Duff WTP), and Martin Control Station where the current agreement has expired; and

WHEREAS, Medford Water will require additional connectivity for the Capital Hill Reservoir and future Medford Water Operation Center (MWOC) locations; and

WHEREAS, Spectrum Business will provide fiber network services to the Duff WTP, MWOC, and Capital Hill Reservoir for a fixed rate 3-year term; and

WHEREAS, Spectrum Business will continue to provide service to the Annex and Martin Control Station locations on a month-to-month basis for an estimated 18-month period or until those services are no longer necessary; and

WHEREAS, the total cost of the 3-year agreement is expected to be \$176,400.00 and the additional month-to-month costs are estimated to be \$36,864.00 for a total estimated cost of \$213,264.00; and

WHEREAS, the 3-year term is for each individual connection and begins when the service becomes active; some services may not be activated for an estimated 12-month period therefore this resolution would be valid for a period of up to 5-years to allow for all services to come online; and

WHEREAS; this contract is exempt from competitive bidding, per the Special Procurement rules of the Medford Water Purchasing Regulations section 2.33C(10); and

WHEREAS, the value of the agreement, not-to-exceed \$213,264.00 to Spectrum Business for fiber network services, exceeds the General Manager's authority;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF WATER COMMISSIONERS OF THE CITY OF MEDFORD, OREGON, AS FOLLOWS:

SECTION 1. That the contract in an amount not-to-exceed \$213,264.00 for fiber network services, is hereby awarded to Spectrum Business.

SECTION 2. That the General Manager is hereby authorized and directed to execute said contract and payments for said contract up to \$213,264.00, and any contract amendments not exceeding the General Manager's purchasing authority or 25 percent of the original contract amount, on behalf of the Board of Water Commissioners, which is on file in the Office of Medford Water and by reference made a part hereof, is hereby approved. This authorization exceeds the authority of the General Manager as defined in Section 1.02 of the Medford Water Contracting & Purchasing Regulations.

PASSED at a regular meeting of the Board of Water Commissioners and signed by me in authentication thereof this 18th day of February 2026.

ATTEST:

Amber Furu, Asst. Clerk of the Commission

Jason Anderson, Chair
